Mission of the Diocese of the Highveld

To be a unified Diocese where the spiritual growth of an increasing number of people is fulfilled through experiencing the fullness of God

Gazette:

- We would like to thank St Mary Magdalene for the generous donations they made towards the food parcel drive during this time of the pandemic. They donated 20 packs of food parcels and 52 school jerseys, which came in handy as the schools opened on Monday for grades 7 and 10. We went to 2 schools with Fr Phillip Moseki and Thabiso, and there is a great need. We appreciate your generous giving.
- On Friday Thabiso received a call from Fr Delani Mthembu to contact a person at Save the Children in Albertsville. He did so and we went and collected over 1000 Monate Instate Porridge and some Rusks for distribution in Kathorus. Thank you for Fr Delani for making this connection for us.
- We still need non-perishables for the food bank as it has dried up. All donations will be appreciated.
- On the preparation for the reopening of churches, can we have an indication on how far congregations are in regard to the COVID 19 teams. I request that you communicate with your archdeacons.
- HABSR – HIV/AIDS Education Committee (HAEC) has as one of its objectives to promote awareness and share information on the subject of HIV/AIDS. Please view the attached article entitled “A Christian Response to HIV “
